LEAVE A LEGACY OF CARE

For Your Community

A community grows great when people plant trees whose shade they shall never sit.

Legacy of Care

A legacy gift—also known as a planned gift—is a charitable contribution arranged today and fulfilled in the future, after your lifetime.

Leaving a legacy gift to Victoria Village Manor is a meaningful way to have a lasting impact on the health and well-being of the seniors in our community.

Planning a gift empowers you to make a philanthropic contribution for the future that determines the legacy you want to leave for your community and supports the causes you are passionate about.

Legacy gifts can include:

- Bequests
- Gifts of Life Insurance
- Gifts of Proceeds from RRSP
- Gifts of Securities

Charitable gifts from personal assets are realized after a donor's lifetime and leave a legacy for today and tomorrow. Leaving a lasting contribution can transform a donor into a truly extraordinary philanthropist.

Tax Benefits

Planned gifts to charities can generate significant tax credits that benefit your estate and loved ones, and some may have gains realized in your lifetime.

Tax benefits can range from eliminating taxes owing on final returns, reducing or eliminating capital gains taxes, and increasing tax credits that can be enjoyed today.

Leaving a Lasting Legacy

Victoria Village Manor hopes that you will consider a legacy gift that will help us continue to provide compassionate care to our residents and their families, ensuring we are here for your children and their children, too.

A legacy gift is a personal decision. We realize that you need to make it in your own way and in your own time. We encourage you to consult with your family and financial advisors to discuss your planned giving options to benefit your estate.
